WHEN TRAVELING  
PEOPLE OFTEN ASK,  
WHERE ARE THE  
best places TO eat?

There are so many great options in Stark County, but if you want to savor some local flavor, here are some places to consider. For fine dining make a trip to **Bender's Restaurant** (Pg. 27) in Downtown Canton. This is one of the area's oldest and most historic landmarks specializing in great steaks and seafood. For more ethnic flair, **The Desert Inn** (Pg. 28), also located in Canton has been a local favorite for over 40 years.

For a real hidden treasure try **Kennedy's Barbeque** (Pg. 27) in Canton. This local landmark has been serving up amazing smoked meats and their famous relish since 1922. If you find yourself in the Massillon area you need to try **Kozmo's Grille** (Pg. 27) located in a beautifully renovated 150 year old building.

To dine like a local there is one other establishment that truly must be experienced - **Taggart's Ice Cream Parlor** (Pg. 28) in Canton. This legendary restaurant has been serving their FAMOUS "Bittner" sundae since the 1920's and is a favorite among visitors, locals and even dignitaries in the area.

# STARK COUNTY IS "Ohio's Golf Capital..."

## *The Legends of Massillon*

...with an abundance of beautiful public golf courses and private clubs. The broad selection of courses boast serene country settings, stunning landscapes, and tournament caliber conditions.

Looking for something special? Try **The Quarry Golf Club's** target-style course. Consistently ranked among the top courses in the state, it is built on a quarry dating back to the 1800's and features 100 foot cliffs, streams and deep water lakes.

Combine sport with a history lesson at **Clearview Golf Course**. On the National Register of Historic Places, it is the only course built, owned and operated by an African-American. William Powell opened the course to the public in 1948, 13 years before the PGA of America removed its "Caucasian-only clause". Daughter Renee Powell, a golf legend in her own right, continues to operate the family-owned course today.

For a complete resort experience stay at the **Bertram Inn at Glenmoor Country Club**. Home to a Jack Nicklaus Signature Course with public tee times available to guests of the inn. The 1930-vintage, Gothic-style inn boasts a full European Spa & Salon, three unique dining rooms, and state-of-the-art fitness center.

Whatever your taste or skill level, "Ohio's Golf Capital!" has the perfect place to play.

# PRO FOOTBALL HALL OF FAME ENSHRINEMENT FESTIVAL

Stark County is proud to host some of the nation's largest and most popular festivals that bring people from all over the world to witness our famous hospitality. The Hall of Fame Enshrinement Festival is truly Stark County's crown jewel as this nationally known festival hosts over 700,000 attendees each year.

This dynamic festival has 19 amazing events hosted over a two and a half week celebration, which is anchored around a new class of football heroes being inducted into the Pro Football Hall of Fame (Pg. 19) at the Enshrinement Ceremony. The Pro Football Hall of Fame Game, parades, fireworks, concerts, *Ribs Burn-Off* and a hot air *Balloon Classic* are just a few of the other world class events.
